Dear Students

I am writing to you to remind you how important it is that you stay in touch with us.

Your Form Tutors and PGOs and teachers have been emailing you. When they do you must reply to their email to let them know you are OK. Even if you just write 'I'm OK'. We will worry about you if you do not reply.

Your teachers will continue to set you work. It is important that you continue to work hard on this and return completed work to your teachers. Where possible, teachers will aim to support you if you get stuck and feedback on the work they receive. They may not send you an individual email, they may send whole class emails or messages on Frog, please look out for these and act on them.

Please check the advice and guidance for students on the school website. It appears on the home page and under the 'Coronavirus' tab. Establish a routine to complete your work and be ready to receive your work by 8.30am. If you are struggling with anything at home, you should email your PGO.

We still do not know when we will reopen for all students. The government will tell us when it is safe to do so. That is why we must all keep on top of our learning.

**You will not be getting school work to do from Monday 6th April as you will begin your Easter holidays. Your teachers will be sending work again from Monday 20th April.** However, all of Bedford High School are still here for you. If you have a problem – contact us. You can still email me over the holiday on [h.phillips@bedford.wigan.sch.uk](mailto:h.phillips@bedford.wigan.sch.uk) if you are worried about anything.

Most importantly – stay in your homes. Do not go outside unless you absolutely have to. This is serious and you must do your bit to help everyone. Don't give your mum, dad or guardian a hard time for making you stay in. They are doing it because they love you.

Take care of yourselves and your families.

Yours faithfully

Mrs Phillips
