
WELCOME TO BEDFORD!

Hi! My name is Amy, I'm a Y7 Art Ambassador at Bedford High School. This past school year has been full of opportunities like going on a tour around the area with choir at Christmas or presenting a piece of artwork in front of the community to remember the holocaust 75 years ago. You might be dreading moving up to high school, you might be separated from friends or you're scared getting lost. You'll probably be nervous at first but, after about a week, you'll be quite confident in what you do because the teachers at our school are always happy to help you with any problem you might have.

Lessons

You'll have a whole variety different of lessons, from History to Drama to even Design Tech, and you might think a few are **BoOoOoOoRiNg** but, trust me, you'll find a way to enjoy it! (And that doesn't mean sneakily playing on your phone!) My favourite lessons are art, music, PE, and English because the teachers are really nice and its fun! You're probably thinking '**English isn't fun**' and if you're not, you're right! I'm being honest! Firstly, art is one of my favourites because Miss Walmsley is very kind and helpful, she's taught me quite a few new techniques. Music is another favourite because Mrs Madden is hilarious! She always finds a way to get us all involved. PE is great because its almost like a break even though you actually doing work! English is definitely a favourite because Miss Canning is really enthusiastic and her enthusiasm rubs off on us. Plus, it's always funny when someone writes comedy.

Extra-curricular activities

As I have already mentioned, I am an Art Ambassador, so I go to Art Club regularly, but there many more other options! I think there is at least one club or trip for you to partake in, anything from Netball to Photography or even visiting a Synagogue with your RE class. This year so far there has been around 5 trips and at least 8 clubs available, and that's just the ones I know of! Each year, we provide 2 productions to the community, lots of planning and preparation goes into them and, thanks to the Expressive Arts teachers, they are amazing! The last one was Elf jr and it was the perfect way to start Christmas!

My Opinion of Bedford High School

Bedford High School is the best school I have been to so far, it is very friendly and welcoming. The teachers are approachable and helpful. I have really enjoyed my time here so far and I am looking forward to the next couple years with this school. It didn't take long for me to settle in and I would recommend this school to **anybody**.
