

LETTER TO YEAR 6

Hello, my name is Emily and I am a current year 7. I am writing to you to tell you about all the positive experiences you will have at Bedford High School. Our school motto is To Care, To Learn, To Achieve and there are lots of things that will help you do all of these things and more. You will be the best you can be and enjoy lots of new experiences.

One of the best things about coming to Bedford High is the wide variety of subjects that you will have the chance to study. You will be given lots of opportunities to try things like having a trampoline lesson in PE, play the drums in music and learn a new language. You will also meet new teachers for your lessons. At lunch time, you will use your fingerprint to pay for your dinner and you will eat it with your friends in the Bistro. I have enjoyed music because of all the opportunities to play musical instruments and to sing. Our Learning Code is Ready, Respect, Safe and you will see these reminders all over school.

After school and at lunchtime, I enjoy lots of sports clubs such as netball, football and badminton. There is a massive astro turf to play sports on. You can go to choir, drama, art and film clubs and meet new people who like the same things as you. It is a good place to make new friends because there are lots of new faces to meet in class and at break times. I went on a trip to Birmingham museum and slept over in the museum and the next day we went to a safari park and we went on lots of rides with our friends. It was amazing!

It is OK to feel worried and scared and if that happens you will be given a Pastoral Guidance Officer (PGO) who will help you settle in and help you with any of your concerns. I built my confidence by talking about my worries and speaking to different members of staff. It is an exciting time and you will be fine! Remember to be kind, keep learning and keep safe! I cannot wait to meet you next year.

Yours sincerely

Emily C
