

Dear Year 6 / nearly Year 7

Firstly, I would like to say I can't wait to meet you all when we are allowed to come back to school. You are all going to have lots of help and support when you come to our school so don't worry about getting lost, not knowing things or being with your friends. Our school is very welcoming and will make sure you do well and feel safe.

At Bedford, there are lots of lessons and things to learn. In lesson, the teachers will make the lessons fun but you will also sometimes get harder work to challenge you and you will be expected to be sensible and quiet when asked to.

You will get homework in all of your subjects and will be expected to hand it in on time but you will also be given opportunities to get help at break or lunchtime.

There are many extra-curricular clubs including the arts, sport, crafts, games and many more. They will be either at dinner time or after school. Joining a club will be a good way to socialise, have fun and represent Bedford in competitions. We also have lots of shows, concerts, contests and plays which you can take part in. Trips also take place; for instance, in a lesson, for a year group or as part of a club. These are lots of fun and help you to learn lots of new things.

When you attend Bedford High School, there will be many opportunities for leadership roles, jobs around school, club leaders / representatives and many more. Furthermore, Bedford has an Instagram page, twitter and Facebook where we post student work, details on clubs, events, shows and other things happening at our school.

When you come to our school, I can guarantee that you will make new friends and will like your lessons. Personally, my favourite is History because I love learning about how the world has changed over time and how the past was so different.

After reading this, I hope that you don't feel as nervous coming to Bedford, that you feel confident starting Year 7 and you are ready to work hard.

Stay safe.

Libby H
