

Bedford High School

Welcome to Bedford High School we all hope that you are well and safe, and we are looking forward to you joining our great school.

When you join us here you will experience many different lessons such as computer science, drama, food technology and many more.

My favourite lesson is music because you get to learn lots of new instruments that you have never played before. I also like drama and acting in shows.

At Bedford there is a range of different clubs you can join. This includes art clubs, dance clubs, music clubs, drama clubs and sport clubs. Extra- curricular activities and trips are a good way to learn new things and luckily us students at Bedford get to go on many trips.

Are you worried that when you come to Bedford you won't make friends? That's what I thought when I was in year 6. But when I got to Bedford, after a few days I had already made friends. If you are worried about getting lost, don't be. In a week you will know your way around school.

We are looking forward to seeing you next year and we hope you will enjoy your time at Bedford
