Rationale

We have assessed all skills multiple times under formal exam conditions. We have used Past Paper questions either from Eduqas or Exampro so that the assessment materials are robust and relevant. We, as a Department team, have moderated sample assessments and adjusted marks accordingly and in line with the Eduqas marking criteria.

Our Mock Exams in December tested all skills including a full Speaking Exam which was recorded and is saved. We have also ensured that students have been assessed again in the summer term to evidence any further progress since the Mock Exams.

Not all students have completed all assessments indicated above. This is mostly due to absence or Covid related barriers. When this is the case, we take from the evidence of the assessments that they have completed and we may also look at formative assessments including our regular Knowledge Organiser tests to support with our calculated Teacher assessment Grade.
