TRANSITION

Transition Challenge

Here at Bedford High School we believe it is our duty to give students a broad education and part of that includes soft skills such as character development. we believe the following are the most important – STRIVE, PERSEVERANCE, INTEGRITY, RESILIENCE, INDEPENDENCE, TOLERANCE.

For our home transition challenges we will be setting some different and exciting challenges that will require you to use all of the above. These will be fitness and skill challenges. The aim of these sessions is to improve your personal fitness and skill levels, and keep you active and healthy.

We value integrity and sportsmanship, so be honest with the results of your fitness or skill challenge. Strive to beat your personal best, and achieve greatness.

Good luck and have fun!

THE TRANSITION GAMES – HOW TO PLAY

The TRANSITION challenges have been designed to test your accuracy, balance, coordination and skill level across 6 different challenges.

Each challenge is categorised into either “**Challenger**” or “**Legendary**”. In the true spirit of the Transition games, we want everyone to complete both levels of the challenge, in particular, the **Legendary** option!

You can complete each challenge a **maximum of three times** with your best score going forward. Record this on your tracker.

Good luck, embrace the challenge and **seize immortality!**
