Dear Parents/Guardians

Art Pack

For this academic year we are providing your child with an art pack containing a sketch book and a range of art materials they will need to take part in art lessons. The sketch books are specially sourced and bought at a subsidised price and are of the standard required for this level of study.

This art pack represents very good value for money and will enable the students to work independently on creative projects and assignments extending and developing their creative skills throughout the year. We would be very grateful if you could make a contribution of £1 by using our on-line system Wisepay which can be accessed through our school website week commencing 6th September when your accounts have been created. Please can payments be made by Friday 1st October. Any queries relating to Wisepay should be addressed to Mrs Hughes g.hughes@bedford.wigan.sch.uk

Thank you for your support in your child's Art education.

Yours sincerely,

P Walmsley
