Dear Parents/Guardians

The Use of CCTV in Bedford High School

In order to comply with the procedures and guidelines of Wigan Council, I would like to inform you that we have a CCTV system installed in our school. This system has been installed for the purpose of preventing and detecting vandalism and crime and for the safety and welfare of both staff and students.

The CCTV system is under my control and I am responsible for ensuring that the system is compliant with national legislation, e.g. Data Protection and Human Rights Acts.

It is hoped that you will support us in our efforts to make Bedford High School a safer environment for those who study and work here. If you have any questions or concerns about the use of CCTV within our school, please do not hesitate to contact me.

Yours sincerely

Mr P McCaffery
