**Year 10 GCSE Preparation Evening for Parents**

**6.00-7.00pm, Thursday 30<sup>th</sup> September 2021**

Dear Parent/Guardian

As you will be aware, Year 10 students are at the start of their GCSE journey and they will sit their examinations in less than two years. I am sure that you will appreciate that time is precious, especially due to the months lost due to the COVID 19 pandemic. Therefore, it is essential that every Year 10 student starts this academic year in a positive and purposeful way.

On Thursday 30<sup>th</sup> September, there will be an event at school to advise parents on how to support students at home. We will provide key GCSE information, tips to help organise workload, and tried and tested revision strategies to help students to remember the vast amount of knowledge required for GCSE success. There will be presentations from the core subjects of English, Maths and Science and there will be revision materials from all subjects for you to take away on the evening. Furthermore, you will be given the opportunity to speak to staff and ask questions.

The event will commence at 6.00 pm in U Block Hall.

Thank you for your continuing support. By working together, we can help your child to leave school with the qualifications they need to succeed in their future education and careers. We look forward to seeing you on September 30<sup>th</sup>.

Yours faithfully

*M Swaine*
