I am also really pleased to share information of our upcoming 'Inspire Me' (Meet our Apprentices) drop in events which will be taking place across Jaguar Land Rover sites, as well as online, in the coming weeks.

These drop in events are exclusively for Year 11's and Year 13's, and an accompanying guardian, to visit us in-person, or online if suits, to meet our current apprentices, apprentice cohort leaders, managers and recruiters to find out more about what it is like to be an apprentice at Jaguar Land Rover and ask any questions they may have to better understand the process of applying to an apprenticeship.

Events;

- [Thursday 9th February 2023 - 16:30 - 19:00 at Jaguar Land Rover Manchester, Charlotte Street, Manchester, M1 4ET](#)

Nat West - zoom 31st January 5pm - students must register

Students can uncover opportunities in Finance, Investment Banking, Research and Analysis, Real Estate, Software Engineering, Cyber Security, Management Consultancy, Tax, Audit, Law, The Police....and much, much more.

This year we are trialling a face-to-face event at the NatWest Conference Centre in London and supplementing it by streaming the event through zoom nationally.

The event will provide insights into:

- ♣ A day in the life of a particular role and industry and what career trajectories look like
- ♣ The journey of recent graduates and apprentices
- ♣ What graduates and non-graduate schemes are available and how to make a strong application
- ♣ Setting up your own business and realising your entrepreneurial mindset
- ♣ What a good CV or Personal Statement looks like – Students attending in person can bring their CV and have it critiqued by experts

The feedback from previous years has been phenomenal with students describing this as the most valuable career event they had attended; and registration is now open for this year's event taking place on 31st January 2023 from 5pm onwards.
