

# Supporting your remote learning.

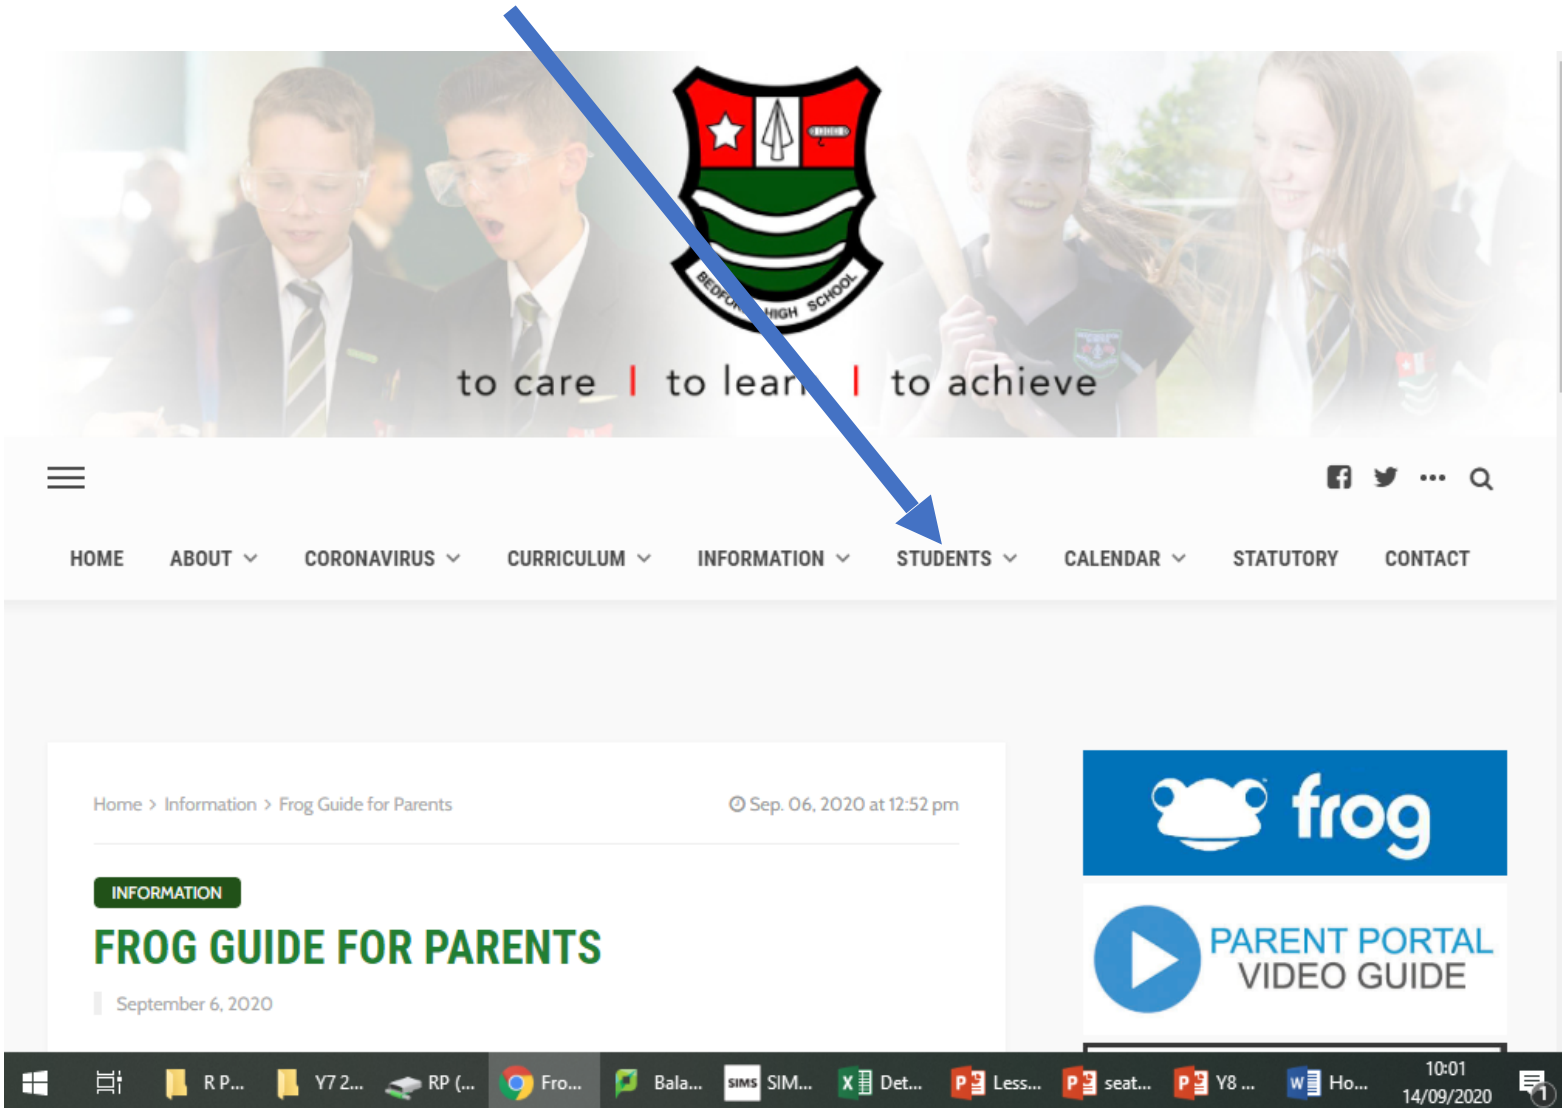

---

- Access and use the School Website.
- Access school resources remotely.
- Using Frog to check work assigned.
- Send & receive emails
- Open, amend & attach files to emails

# Go on the school Website and click on the students tab.

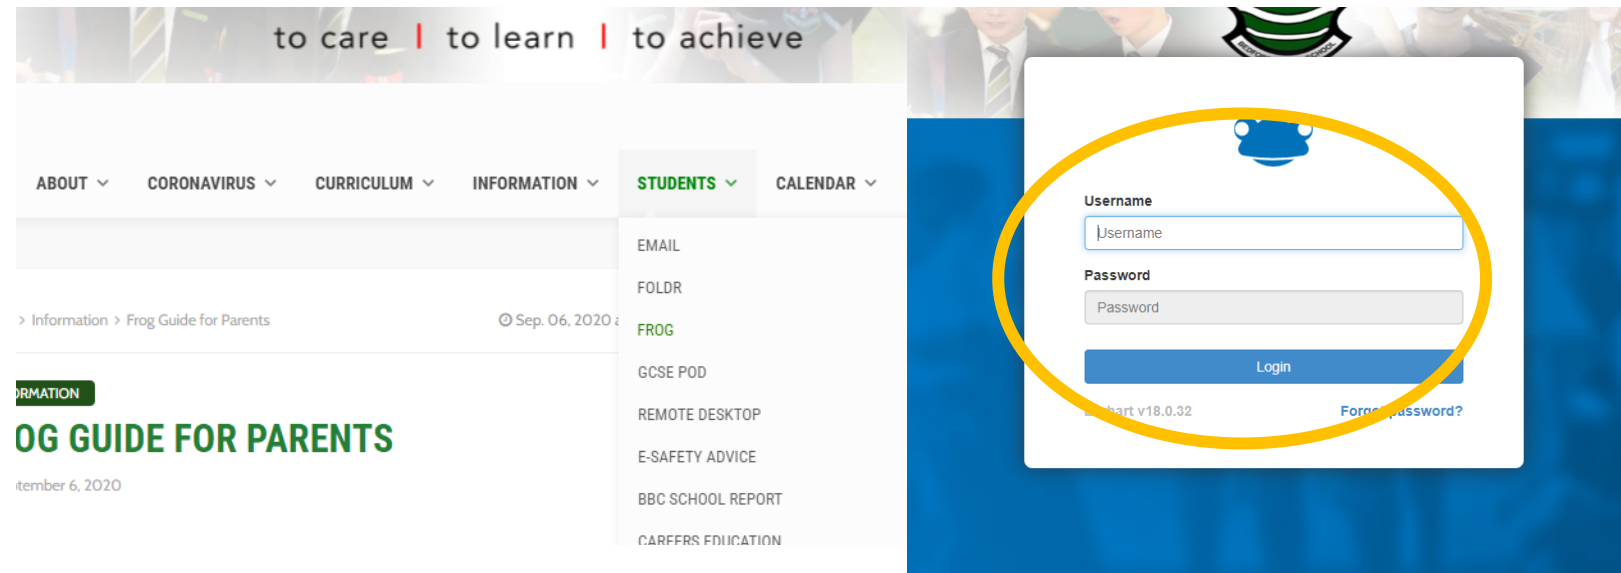

<https://bedfordhighschool.co.uk>

The screenshot shows the Bedford High School website. At the top, there is a banner with the school crest and the motto "to care | to learn | to achieve". Below the banner is a navigation menu with the following items: HOME, ABOUT, CORONAVIRUS, CURRICULUM, INFORMATION, STUDENTS, CALENDAR, STATUTORY, and CONTACT. A blue arrow points to the "STUDENTS" tab. Below the navigation menu, the main content area displays "Home > Information > Frog Guide for Parents" and "© Sep. 06, 2020 at 12:52 pm". There is a green button labeled "INFORMATION" and a large green heading "FROG GUIDE FOR PARENTS" with the date "September 6, 2020". To the right, there is a blue box with the "frog" logo and a play button icon next to the text "PARENT PORTAL VIDEO GUIDE". The Windows taskbar is visible at the bottom of the screen.

# Using FROG

- From the school website; select students and then FROG or click on the Frog icon.
- Enter your log in details (your 4 digit number and password).

The screenshot displays a school website with a navigation menu. The menu items are: ABOUT, CORONAVIRUS, CURRICULUM, INFORMATION, STUDENTS, and CALENDAR. The 'STUDENTS' menu is expanded, showing a list of options: EMAIL, FOLDR, FROG, GCSE POD, REMOTE DESKTOP, E-SAFETY ADVICE, BBC SCHOOL REPORT, and CAREERS EDUCATION. The 'FROG' option is highlighted. Below the navigation menu, there is a section titled 'FROG GUIDE FOR PARENTS' with a date of September 6, 2020. On the right side of the page, there is a login form for FROG. The form includes a 'Username' field, a 'Password' field, and a 'Login' button. A yellow circle highlights the login form. The background of the website features a banner with the text 'to care | to learn | to achieve' and a school crest.

Subject Computing

Assignment Instructions

Open this worksheet, answer it in WORD as shown in class and then email your completed work to me using:  
r.puzzar@bedford.wigan.sch.uk  
Remember to use your school email address to email me you work.

Rich Text Editor, editor

DOWNLOAD THE NEW 'MYFROG'  
APP FROM THE APP STORE.

QUICK AND  
EASY WAY TO  
CHECK YOUR  
HOMEWORK.

Introducing  
'My Frog'

When you have  
downloaded the App  
enter the URL code:  
[Frog.bedford.wigan.sch.uk](https://frog.bedford.wigan.sch.uk)  
and then your usual  
Frog login details.

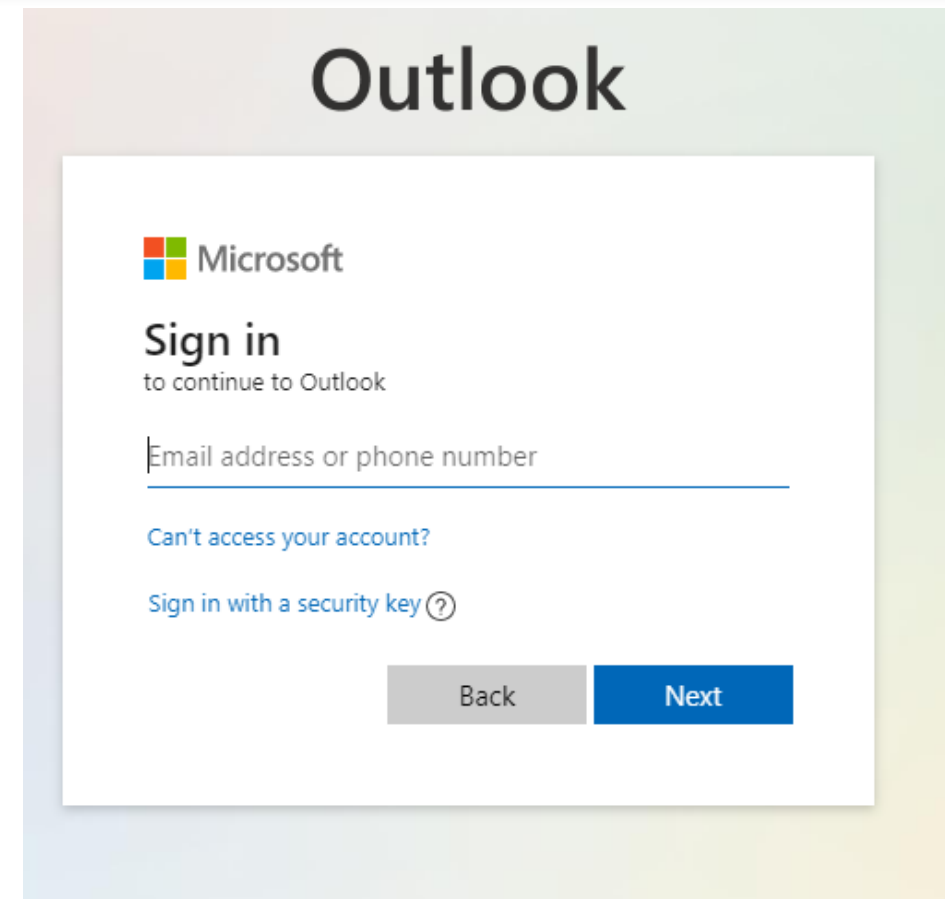

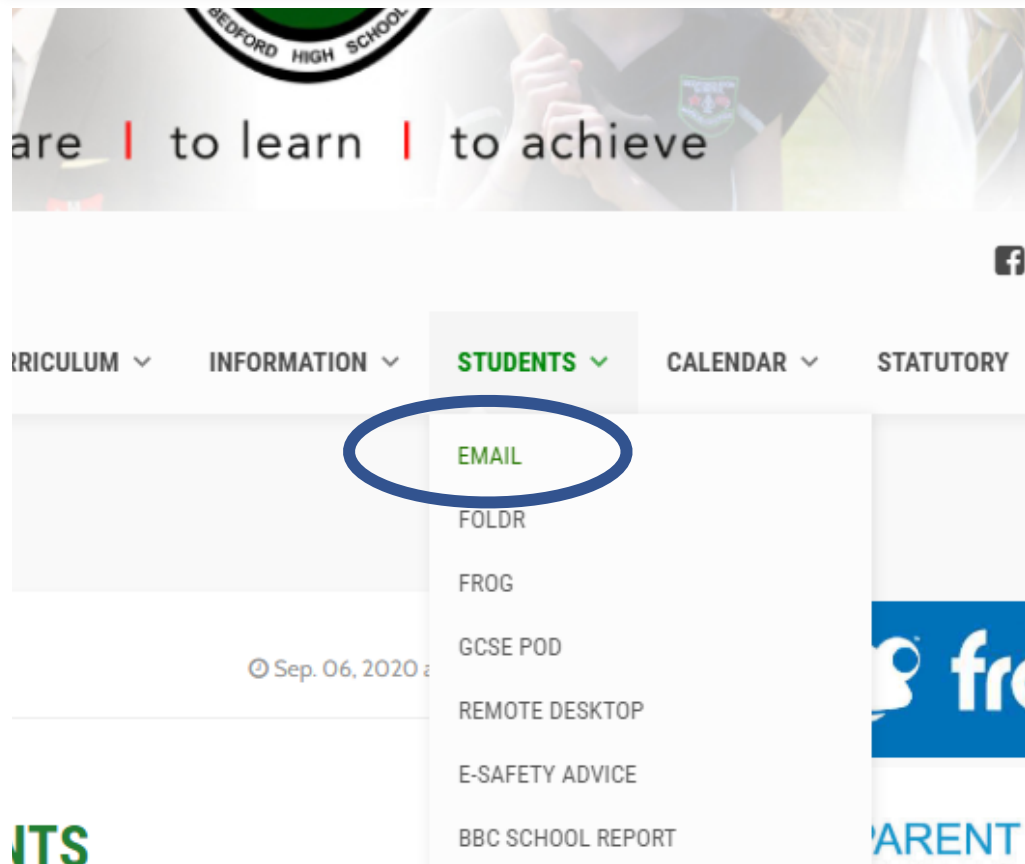

# Using Zoom.

- Your teachers will send the **Zoom invite** to you on Frog/email. The invite will contain a link, ID and passcode. Either click on the link or paste the link into a webbrowser. Then enter the ID and passcode.
- Or you can **download the Zoom App**, click on join meeting and then add the ID and passcode that the teacher sent you in your Frog assignment.
- If Zooming for the first time on a **PC or laptop, you will have to download the Zoom software** which does not take long and is automatically triggered when you click on the link.
- This video will guide you on everything that you need to know to get started on Zoom but please note that we have disabled some of the features mentioned in this video including video, annotation etc. <https://www.youtube.com/watch?v=wbnyQwsVbiY>

# Using Email

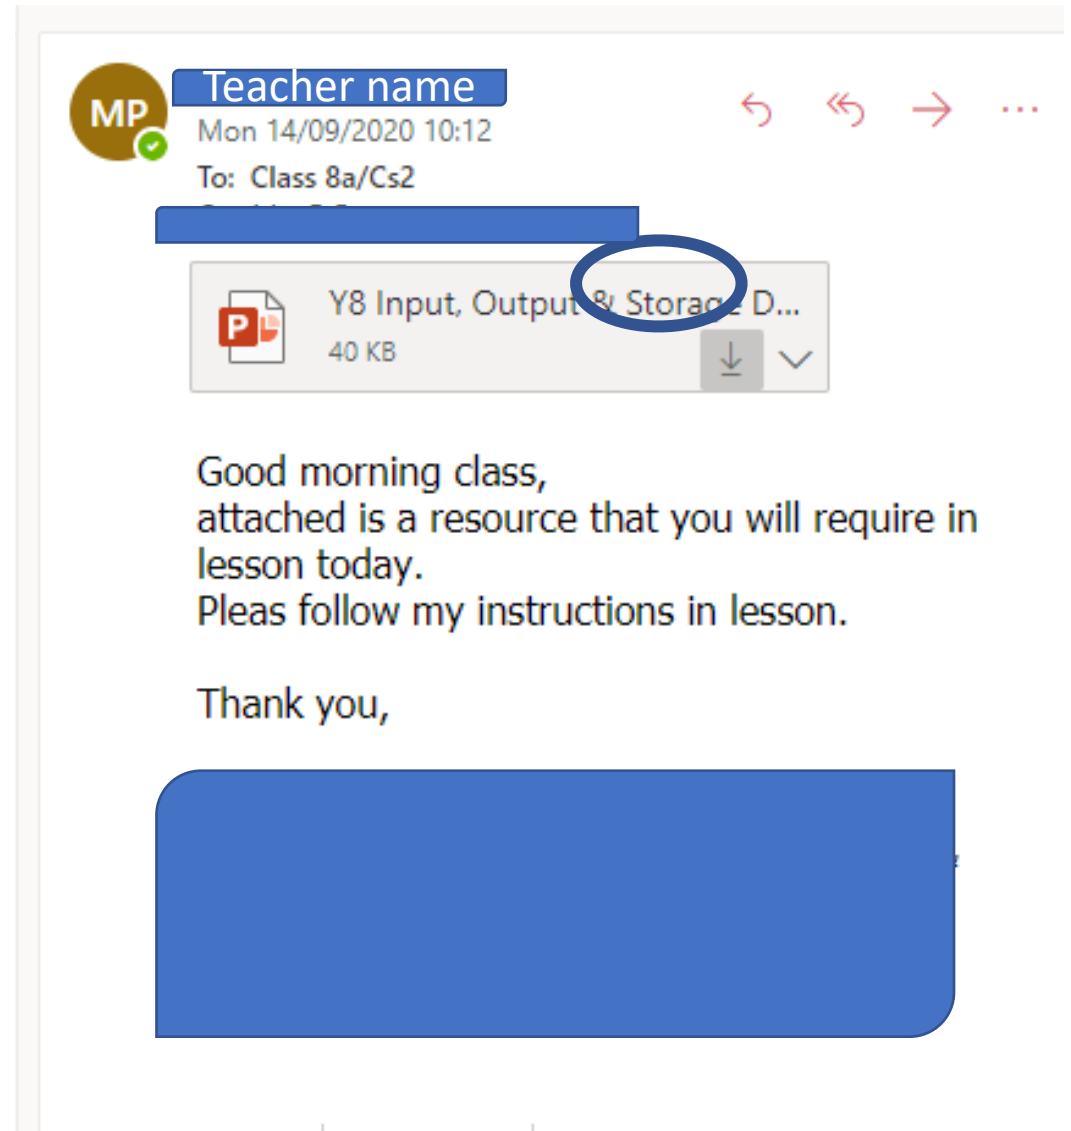

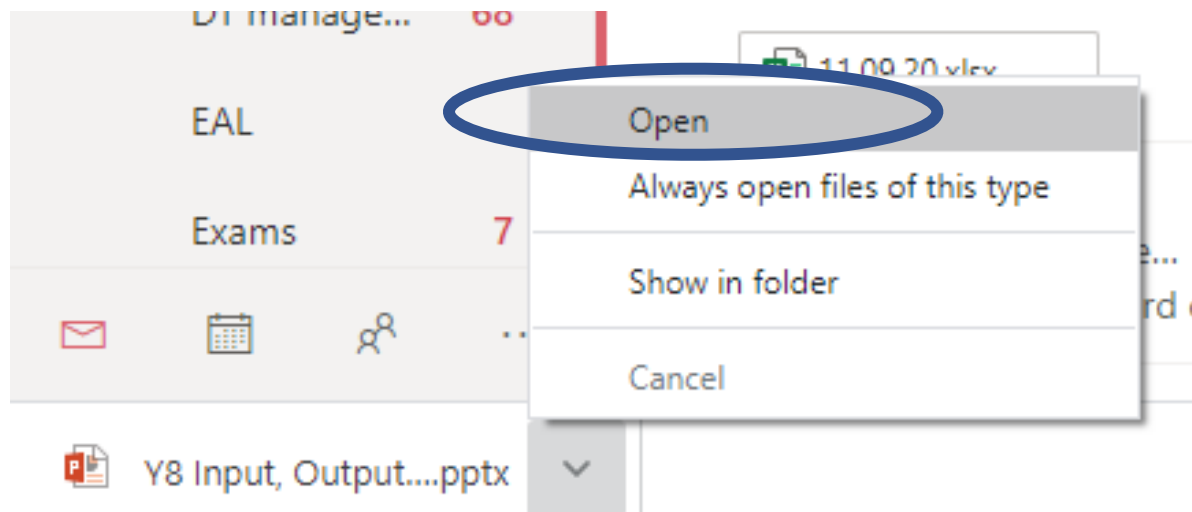

- From the school website; select the student tab and then email.
- Enter your log in details: your 4 digit number goes in front of @bedford.wigan.sch.uk e.g. 1234@Bedford.wigan.sch.uk

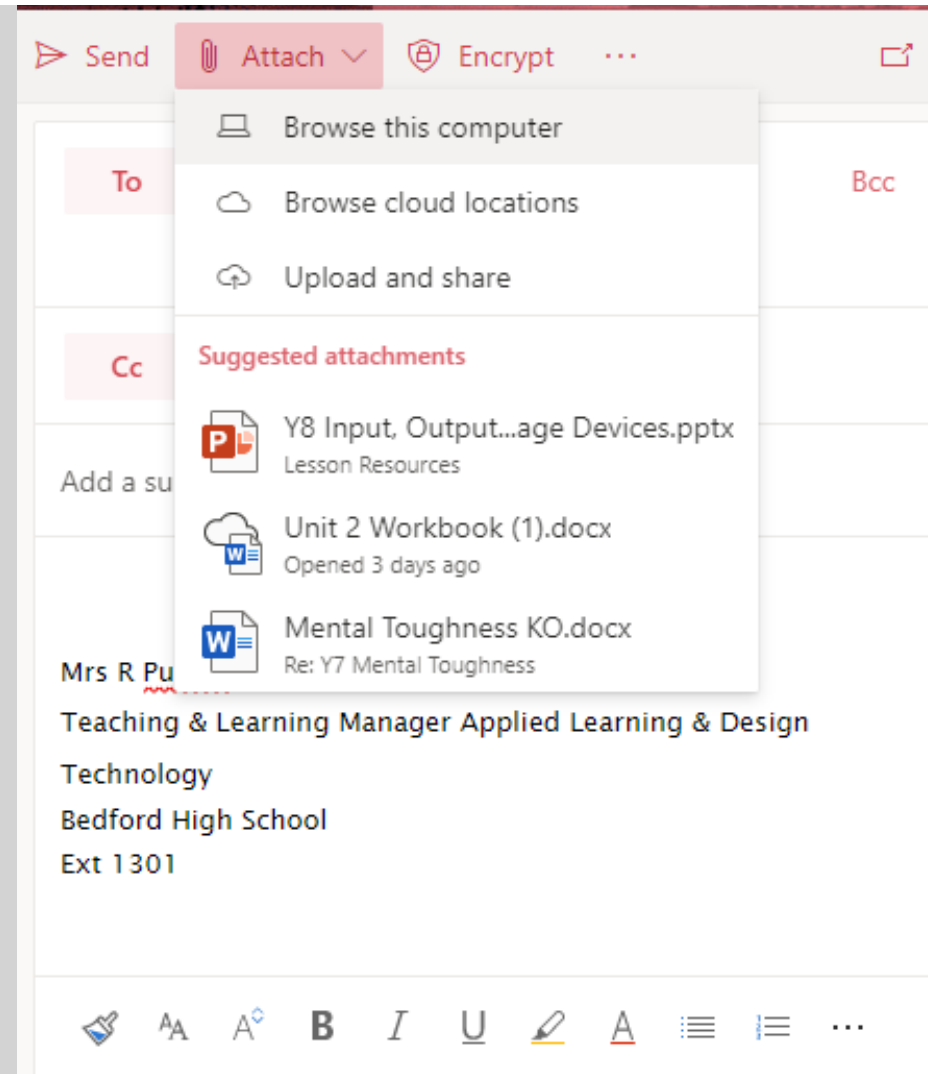

# Using Email

- When you click on your inbox you will see the emails that have been sent to you.
- Teachers might send you an attachment in the email to support learning.
- Open the attachment and download it, then save it to your home drive.

# Sending an Email to your teacher

- Compose your email by clicking on new email addressing it to the teacher. Start typing the teacher's surname and their address should appear.
- Attach your work by clicking on the paper clip
- Find your file and click open, this will attach your file to the email
- Now write your email to the teacher. In the subject tab you can write the assignment work and your initials e.g. Spanish translation DM.

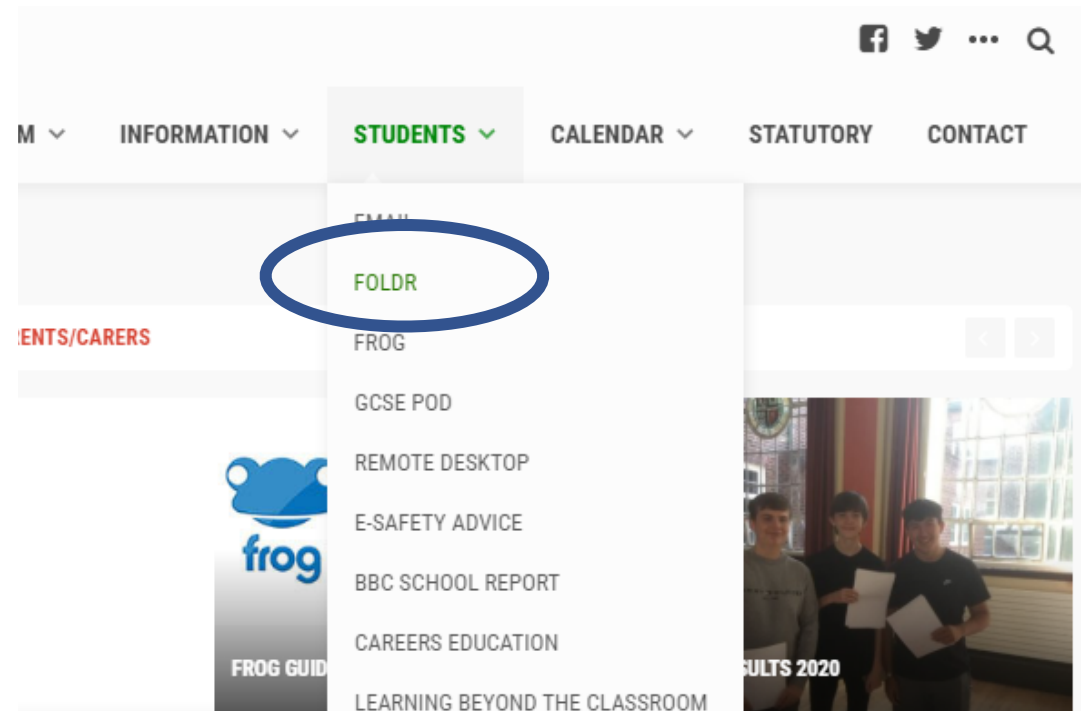

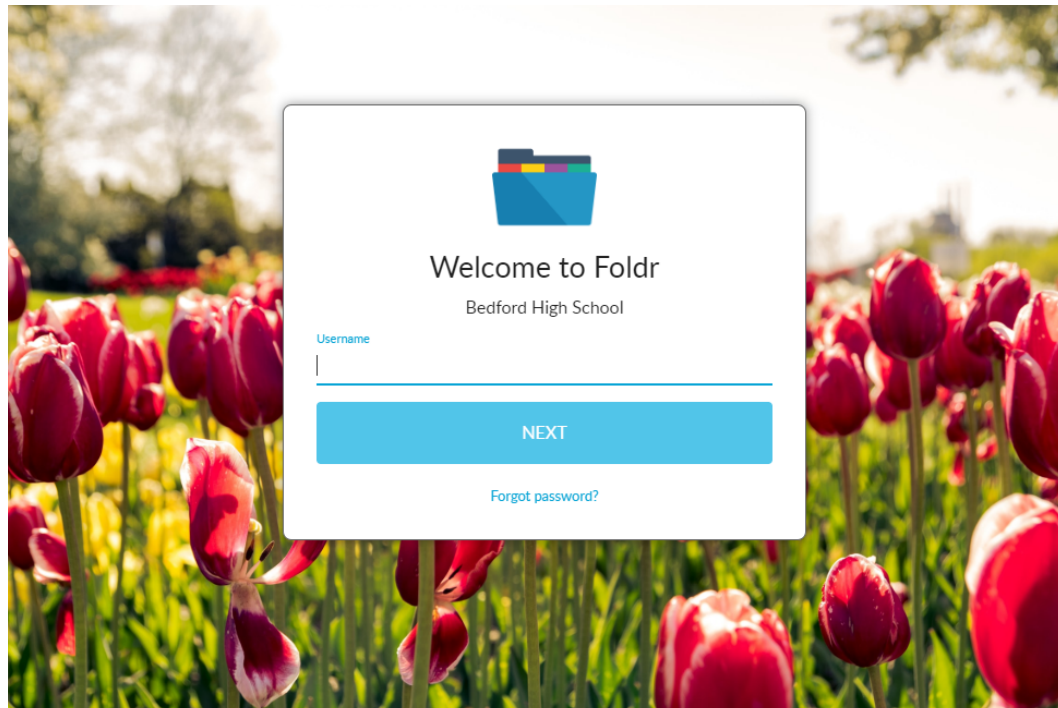

# Using Office 365 for Word, PowerPoint etc.

For details of how to access and use Office 365 to support your remote learning please access this video: <https://bedfordhighschool.co.uk/frog-support/>

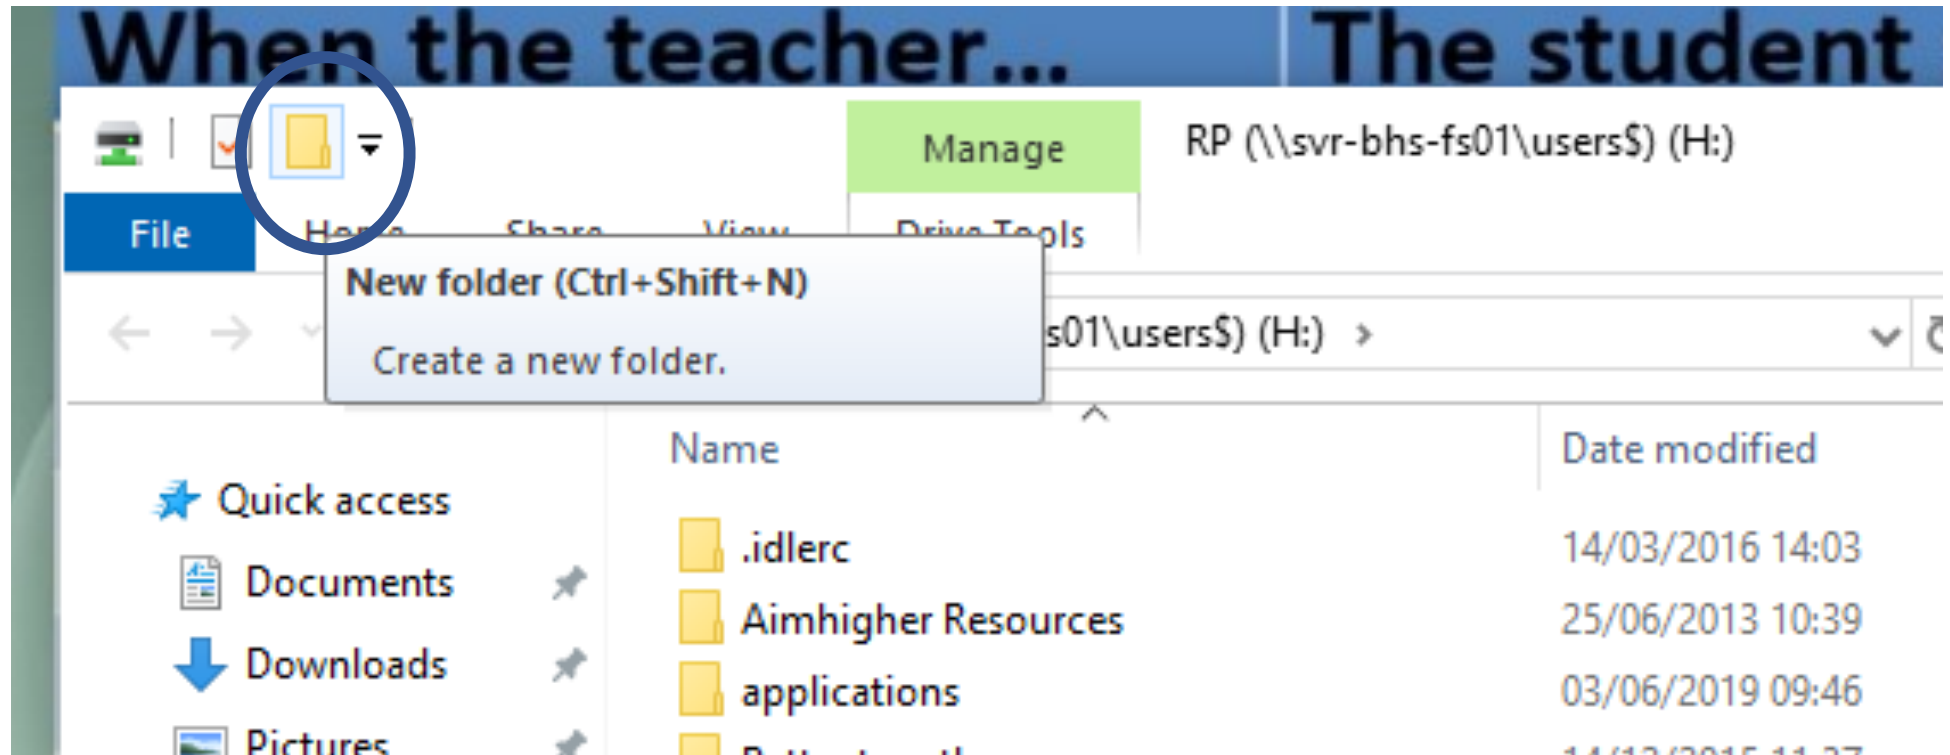

## Using FOLDER- Foldr allows you to access your school network files and folders.

- From the school website; select students and then FOLDER.
- Enter your school network log in details

# Creating Folders for each subject

- Click on home drive & select the new folder icon:

# Creating Folders for each subject

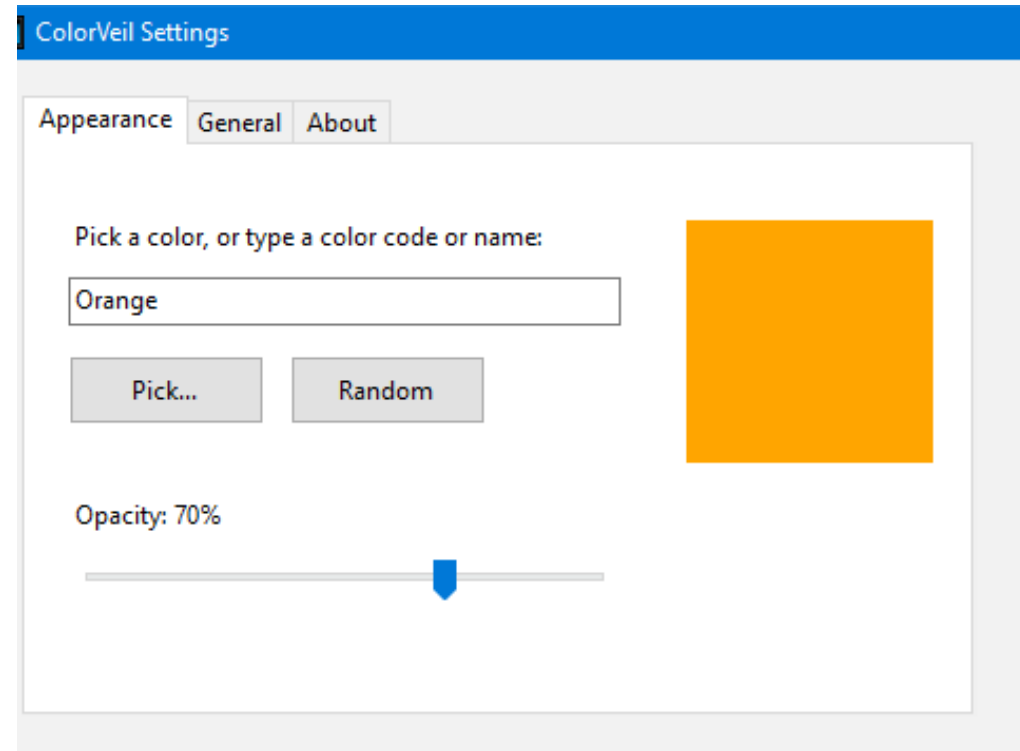

- A new folder will appear, you need to name each subject

- Maths, English, Science, Art, Drama, Music, History, Geography, RSE, Computing, PE

# Changing your Screen Colour

- If you use different colour paper you can change the colour of your screen by using ColorVeil.
- ColorVeil allows you to put a coloured overlay over your computer screen.
- See <https://www.aurelitec.com/colorveil/windows/help/> for further instructions and how to download.

An aerial photograph of a school campus. In the foreground, there is a tennis court with a yellow surface and a green fence. To the right, a large, dark-colored building with many windows is visible. In the background, there is a large green field and more school buildings. The sky is clear and blue.

If you encounter any technical problems email  
[techsupport@bedford.wigan.sch.uk](mailto:techsupport@bedford.wigan.sch.uk)

If you encounter any learning related problems  
email your subject teacher or Form Teacher.

**Learning beyond the classroom.**
