

TO CARE
TO LEARN
TO ACHIEVE

BEDFORD HIGH SCHOOL
A Specialist Business and Enterprise College
with Applied Learning
Headteacher: Mr P McCaffery

Dear Parents and Guardians,

As we continue to experience a warm spell this week students are not required to wear blazers nor ties in school.

Please remind your child that they should bring a water bottle so that they can stay hydrated throughout the day. They should also wear sun screen if they intend to be in the sun at lunchtime (shady areas are available to all year groups). They will be allowed to wear sun hats / caps outside.

We are not at the 'heatwave' stage of things but if this does arise at some point (temperatures of over 30 degrees) we will have further contingency plans.

Thankfully, this week's weather forecast indicates that the hottest time of the day is between mid to late afternoon and when students have finished school for the day. The weather is also expected to be cooler next week, but we will of course continue to monitor the situation.

Thanks as always for your support.

Mr P McCaffery
