- 4. How is learning sequenced or spaced to promote long-term memory?**

SUBJECT CURRICULUM INTENT

Our vision: To see the value in learning and speaking foreign languages; to develop an appreciation of cultures other than our own; to enjoy challenging ourselves to be the best linguist we can be; to engender a curiosity about the beauty of language.

The following principles underpin this vision:

- **Develop social and communication skills to allow students to practice the speaking of the language.**
- **To master the vocabulary and grammar required to accelerate speaking, writing, reading and listening skills.**
- **To experience and learn about the culture of Spanish speaking countries.**

Aims of the MFL KS3 curriculum.

- Understand and respond to spoken and written language from a variety of authentic sources.
- Speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation.
- Write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt.
- Discover and develop an appreciation of a range of writing in the language studied.
